OUR LINE

A LINE EXCLUSIVE ELABORATED FOR YOUR PET!

Thinking of bringing to our best friends the best of Brazilian biodiversity, with all the protection and well-being of the natural, Citróleo has a novelty that will surprise and gain the affection and heart of all people who love pets: our new, innovative and pioneering line, **specially designed for the skin and hair of our Pets, CitroPet.**

PROUD TO TAKE CARE FOR REAL!

Citróleo Group is proud to have taken the lead and started this journey of developing natural actives aimed at the specificity of the animals' skin and organism. Joining our affection, support and love to those who love us so much, Citróleo added intense research and cutting edge technology to achieve the best care for the animals.

It goes far beyond that just offering raw materials, it represents Citróleo's commitment to delivering **experiences and exclusivity** to all customers, **even those with four legs.**

**NATURALLY PURE,
VEGAN AND
BIODEGRADABLE!**

The products of the CitroPet line are healthy for the skin and hair of our Pets, in addition to being natural and pure. Based on our deep knowledge of Brazilian ingredients, we develop effective, biodegradable and vegan actives. Of course, cruelty free.

THE NATURAL SOLUTION THAT WAS MISSING FOR OUR BEST FRIENDS!

The new line has **raw materials for all kinds of animal needs**, from a nice and fun bath, to protection for an outdoor walk. Always with the goal of delivering in a smooth, non-aggressive and exclusive way, all the benefits of **Brazilian biodiversity** to our best friends.

The CitroPet line is the solution that was lacking in the market for those who love their pet and do not give up on treating it with respect and care. And also, for groomers around the world, who seek quality, efficiency and innovation.

Learn more about these actives:
